

Kennel Brite

Citrus Kennel Cleaner & Degreaser

General Purpose

Description

This product is concentrated, water soluble, nonflammable, detergent and degreaser, which incorporates natural solvents and advanced concepts in chemical soil removal. It will effectively remove a wide variety of soils common to animal facilities including accumulations of urine, vomit, feces, body oils, hair and dried food. This product handles grease and grime quickly while assuring the removal of buildup not cleaned by normal cleaning procedures. This product is safe on virtually any surface not harmed by water.

Directions for Use

Dilute product using dilution chart to the right.

Apply liberally to the surface to be cleaned by mop, pump-up sprayer, foam gun, brush, or auto scrubber. Allow to dwell 5-10 minutes. Agitate and rinse surface with water. Kennel or Stable is now ready for disinfection.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
