

Hand Dish Wash Powder

Hand Dish Detergent

Food Service

Description

This product is an organic dish detergent which is designed to be equally effective in hot or warm water. This detergent has been formulated for use against the toughest and most troublesome of food problems where a powdered product is desired. This highly concentrated formula is biodegradable.

Directions for Use

For moderately soiled dishes, pots and pans use 1 to 1 ½ tablespoons for each 3 gallons of water. For excessive soil, pre-treat soiled spots by wetting with a solution of 1 tablespoonful in a cup of hot water. In areas of very hard water or with heavily soiled pot and pans, additional detergent may be required. For best results, use hot water.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Effective dish cleaner
- Highly economical
- Will not irritate skin
- Continual high suds level
- 100% biodegradable

Specifications

Appearance:	Blue Powder
Odor:	Bland
