

Yellow Blaster

Laundry Stain Remover

Laundry

Description

The most concentrated form of chlorine available in a stabilized liquid form. Perfect for laundry bleaching applications with white cottons, linens, and most synthetics to remove odors, body soils, proteins, and organic stains.

Directions for Use

Some individuals may be sensitive to ingredients in this product. Before use, read product label and SDS. If questions remain, consult your employer or a physician.

As Laundry Bleach:

Only use Yellow Blaster on bleachable fabrics. Add Yellow Blaster during the first rinse cycle.

Add 2 - 4 oz. per 50 lbs. of dry laundry depending on soil load and stain type.

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage, as necessary, to obtain the required level of available chlorine. All recommendations made above are based on an initial concentration of 12.5% Sodium Hypochlorite.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Removes stains – brightens and whitens
- High concentration means lower use-cost
- 12.5% Sodium Hypochlorite, over 2X stronger than household bleach

Specifications

Appearance:	Pale Yellow Liquid
Odor:	Chlorine
PH	13
