

A high foam, carpet shampoo that is ideal for light to medium soil loads on all types of carpets. Use manually or through a carpet shampooer.

Where To Use

All types of carpet and upholstery.

Hospitals	Hotels	Restaurants	Office Buildings
Airports	Homes	Car Washes	Schools

Dilution

Light to Medium Duty – 1/32 (4 oz./gallon)

Heavy Duty – 1/24 (approx. 5 oz./gallon)

Dry Foam Equipment – 1/24 (approx. 5 oz./gallon)

Manual and Upholstery – 1/16 (8 oz./gallon)

Directions

Shake well prior to use. Spot test for colorfastness. Apply diluted product to an inconspicuous spot, wipe with white cloth. If no bleeding of the color has occurred, proceed with application. Remove all furniture from room, vacuum completely. Pretreat spots and heavy traffic areas with Simoniz® Magic Carpet or Simoniz® Pre-Spot. Dilute Carpet Shampoo according to dilution table above. Shampoo across carpet, overlapping previous pass. Do not over wet carpet as "browning" or "wicking" may occur. Brush carpet in one direction with a pile brush. Keep off carpet until completely dry, then vacuum thoroughly.

For Dry Foam cleaning, shampoo a small area to build up a rich thick foam. Shampoo across carpet as above, overlapping each pass.

For Upholstery, test for color fastness and shampoo using only the foam. Agitate with soft brush or sponge. Dry with towel and vacuum when completely dry.

Technical Specifications

COLOR: Green	VISCOSITY:Slightly Viscous
FORM: Liquid	STORAGE(Unopened):..1 Year @R.T.
SCENT: Lemon	BIODEGRADABLE: ...Yes
pH: 6.0	WEIGHT/GAL:8.3 lbs.
