

A self-foaming concentrated alkaline liquid detergent for manual or pressure cleaning. Its superior wetting and emulsifying action make it an excellent all purpose cleaner. Especially recommended for cleaning floors, food processing equipment, vehicles, etc. Completely soluble in hot or cold water. High foam and free rinsing.

Where To Use

Food plants Floors Dairies
Vehicles Walls

Dilution and Directions

Dilute FOAM OFF with 20 to 80 parts of water depending on use and soil loads. For manual washing of floors a dilution of 1/40 (3 ounces per gallon) may be adequate. For hot high pressure cleaning dilutions, as high as 1/80 have proven satisfactory. For use through Graco Foamers (or similar tank type foamers) dilutions of 1/20 (approximately 6 ounces per gallon) are recommended.

Technical Specifications

COLOR:	Transparent Red	STORAGE(Unopened):	1 Year @R.T.
FORM:	Liquid	BIODEGRADABLE:	. Yes
SCENT:	Odorless	WEIGHT/GAL:	10.2
pH:	13.2	SHIPPING CLASS:	8, Packing Gr III
