

*Heavy duty, all-purpose cleaner and degreaser. Quickly cleans and degreases many different surfaces. Removes heavy duty oils, food oils, grease, and road film from grills, hoods, vents heavy machinery, stainless steel, concrete floors, white wall tires, engines and more.*

### Where To Use

- |                      |                   |
|----------------------|-------------------|
| Dealerships          | Kitchen Machinery |
| All Purpose Cleaning | Heavy Equipment   |
| Oil Lube Centers     | Garages           |
| Engine Degreasing    | Concrete Floors   |

### Dilution

- Light Duty- 1/64
- Medium Duty- 1/32
- Heavy Duty 1/5 to 1/10

### Directions

General Cleaning - Scrape off heavy deposits of grease and grime. Spray or mop on surface. Allow to dwell on badly soiled or greasy areas, allowing the high solvency to do much of the cleaning work. Agitate with soft brush if needed. Wipe off with soft cloth or rag. Always wear rubber gloves if submerging hands in liquid.

Heavy Duty Degreasing – Dilute with pressure washer according to chart above. Apply with high or low pressure directly to greasy surface. Allow sufficient dwell time to loosen grease then high pressure rinse. Hot water will speed the cleaning.

### Technical Specifications

COLOR: .....	Blue Transparent	VISCOSITY:.....	Water thin
FORM:.....	Liquid	STORAGE(Unopened):..	1 Year @R.T.
SCENT:.....	Solvent	BIODEGRADABLE: .....	Yes
pH: .....	13.2	WEIGHT/GAL: .....	8.3 lbs.
FLASH POINT:..	None	SHIPPING CLASS:.....	None
