

# Laundry Prespotter #1

L2021

*Multi use heavy duty stain remover for tough laundry applications. Will remove a wide variety of stains including, lip stick, blood, ink and more.*

## Where To Use

Commercial Laundry Operations  
Restaurants  
Country Clubs  
Health Care facilities  
Heath Clubs  
Hotels

## Dilution

As is.

## Directions

Separate items requiring spot treatment. Treat stains as soon as possible, as recent stains are more easily and effectively removed. Test fabric for dye stability by applying a small amount of Prespotter to an inconspicuous area of the fabric. Apply Prespotter directly onto the stain, rub undiluted product into soiled area. Wait 5 to 10 minutes before laundering.

**BLOOD:** Flush stain for 3-5 minutes in cool water. Wring out excess water and saturate with Prespotter. Agitate with a brush or rub vigorously. Wait 5 to 10 minutes, and then launder as usual.

Follow safe handling procedures when using all chemicals – wear appropriate personnel protection. Refer to product SDS for further instructions and safety procedures.
