

D-Grez-R

Ammoniated Cleaner & Degreaser

General Purpose

Description

D-Grez-R is an industrial strength; water soluble, nonflammable butyl solvent detergent degreaser, which incorporates, advanced concepts in chemical soil removal. It will effectively remove a wide variety of soils common to industrial, institutional and commercial facilities including accumulations of grease, oil, dirt, soot, smoke, food, and light rust stains.

Features & Benefits

- Works well on all surfaces
- Safe on aluminum, soft metals and painted surfaces when diluted
- Works equally well in all types of water regardless of hardness

Directions for Use

When cleaning heavy grease and grime from engines, metal, floors or equipment where paint removal is wanted D-Grez-R should be used at full strength. When cleaning heavy grease and grime from engines, metal, floors or equipment where paint removal is not desired D-Grez-R should be first diluted with water. Refer to label for proper dilutions. D-Grez-R may be diluted up to 128-1 for light duty jobs such as cleaning walls and floors or presoaking parts. When using D-Grez-R, make sure entire area is covered by water to insure complete contact with solution. Do not allow this product to dry on glass, plastic or soft metals to prevent possible etching or pitting. Rinse these surfaces. Care should be taken to test a small area prior to use for desired results.

Specifications

Appearance:	Blue Liquid
Odor:	Ammonia
PH	11 - 12
Specific Gravity:	1.03
Biodegradable:	Yes
Detergency:	Excellent

Dilution / Coverage

Light Soil.....	1:128 (1 ounce / Gallon)
Heavy Soil.....	1:20 (12 ounces / Gallon)
Industrial Degreaser (paint removal).....	(Use full strength)

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Available Sizes

- Case/ 12x1 quart: Item # 231602
- Case/ 4x1 gallon: Item # 231604
- Pail/ 5 gallon: Item # 231605
- Drum/ 55 gallon: Item # 231606
