

Milban 1-2-3

Water Damage Restoration Sanitizer

EPA Registration # 10324-113-61524

Disinfectants

Description

This product is formulated specifically for use in water damage restoration and for sanitizing carpet against odor-causing bacteria. It is virucidal, fungicidal, and inhibits the growth of mold and mildew, and their odors. This product is suitable for treating carpet, carpet padding, sub-floors, drywall, trim and frame lumber, tackless strip and paneling. This powerful disinfectant also is suitable for use in Category 3 sewer backups and river flooding to treat salvageable materials as well as to decontaminate equipment and tools. EPA approved instructions for these applications.

Directions for Use

Disinfection / Virucide: Mix 2 oz per gallon of water to disinfect hard, non-porous surfaces. Surfaces must remain wet for 10 minutes. For sanitizing carpet mix 2 oz per gallon of water for portables, 4 oz per gallon of water for rotary machines. For truck-mounted equipment mix 24 oz per gallon of water and meter at 4 gallon per hour. For treating porous materials mix 2-4 oz per gallon of water. For detailed directions on other applications please call Harvard Chemical and request the Master Label.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Economical - high concentration; dilutes 1:64
- Deodorizes as it disinfects
- Specific label instructions for restoration
- Broad spectrum kill

Specifications

Appearance:	Clear Liquid
Odor:	Clean
PH	6 - 7
Specific Gravity:	< 1
Detergency:	Moderate
Biodegradable:	Yes

Dilution

Disinfect non-porous surfaces..... 1:64 (2 ounces / gallon)
Disinfect porous surfaces.....1:32 (4 ounces / gallon)

Available Sizes

Case/ 4x1 gallon: Item # 62404
Pail / 5 gallon : Item # 62405
Drum / 55 gallon : Item # 62406
