

S29 Bacteria Concentrate 10X

Enzyme Digestant Concentrate

Bio-Enzyme

Description

S29 Bacteria Concentrate 10X is an all purpose enzyme digestant in a super concentrated form. Dilute 1 part S29 with 10 parts water and it can be used in grease traps, drains lines, down pipes, porta-toilets, septic tanks, recreational vehicles, marinas, sump-pumps, and wet wells.

Directions for Use

After product is diluted 1:10 with water it can be used

for: General Odor Control: To eliminate odor caused by vomit, spoiled foods, decomposed animals, animal waste in areas as garbage cans, waste receptacles, locker rooms, carpet, etc. Spray product directly on malodor and allow the bacterial action to digest the material while the pleasant fragrance immediately neutralizes the odor.

Grease Traps: For traps less than 20 cubic feet capacity, add 4-5 oz. of product daily, by pouring in a sink or pipeline closet to the trap. This should be done at night or when the traps are used the least. After adding, flush down with a cup of lukewarm water. For grease traps larger than cubic 20 cubic feet, add 8-10 oz. daily using the same procedure. **Septic Tanks:** Add 1 pint per 25 cubic ft. capacity for the initial treatment again with 1 gallon of product. Thereafter, use 8 oz. per week. Pour directly into toilet and flush. If septic tank is clogged and odorous, add 1 gallon of product directly to the tank through the manhole.

Drain Lines & Down Pipes: Use product a minimum of 2 times weekly, to a maximum of 4 times depending on usage of the building. Add 4 oz. of product for each 2 inches of pipe size. **Carpet Deodorizing and Digesting Organic**

Waste: 1) Spot clean and vacuum carpet thoroughly. Mix 1/2 to 1 pint product per gallon of water. Apply with pump or hand sprayer. Keep moist at least 30 minutes. Repeat if odor persists. 2) Use in conjunction with carpet cleaning equipment. Use 1/2 to 1 pint product to every gallon of mixed cleaner. Use with all types of carpet cleaning equipment and methods, including tank, brush, bonnet, and extraction cleaning.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Digest organic matter
- Neutralizes malodors
- Totally biodegradable
- Flexible applications
- Certified salmonella free
- Eliminates pet stains and odors
- Keeps pipes running free

Specifications

Appearance:	White Liquid
Odor:	Neutroleum / Bubblegum
Specific gravity:	1.02
PH:	6.8 – 8.0
Biodegradable:	Yes
Detergency:	Excellent

Dilution

Dilute 1:10 to make a ready to use product

Available Sizes

Pail / 5 gallon : Item # S2910X05

Drum / 30 gallon : Item # S2910X11

Drum / 55 gallon : Item # S2910X06
