

Bone Dry

Low Moisture Encapsulating Carpet Cleaner

Description

Bone Dry is a highly effective low moisture cleaner for carpets and rugs including 5th generation nylon. This product is highly effective in hot or cold water and contains emulsifiers that break down dirt, grease, oil, and food residue and “wicked back” stains. Bone Dry contains special polymers that engulf and encapsulate dirt, detergent residue and other soils, and then dries into brittle non- sticky crystals. The crystal and entrapped soils are easily removed by routine vacuuming.

Directions for Use

For cleaning dilute 8 ounces of Bone Dry per gallon of water. Cleaning solution may be applied with a pump up sprayer or traditional shampoo shower feed. Agitate the carpet using a low speed floor machine with shampoo brush or a white rubberized floor buffing pad or any other comparable rotating brush (Pay attention to carpet manufacturers general cleaning guidelines to retain carpet quality and any warranty in effect). Carpet will normally dry within 30 minutes. Wait at least overnight before vacuuming allowing adequate time for the polymers to fully cure and harden. Bone Dry may also be used as a spotter when diluted 1:5 with water.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Dries to a crystalline solid
- Quickly breaks down stubborn dirt, grease, and oil
- Low Moisture, carpets are back in service quickly
- Prevents fiber re-soiling from sticky residues
- Prevents “wick back” of spots
- Safe on 5th generation carpets

Specifications

Appearance:	Clear Liquid
Odor:	Slight ammonia
Specific gravity:	1.01
PH 10% Solution:	8.8 - 9.3
Flammable:	No
Detergency:	Excellent

Dilution

Carpet Cleaning.....	1:16 (8 ounces/gallon)
Spotting.....	1:5 (25.6 ounces/gallon)

Available Sizes

- Case / 4x1 gallon : Item # 180004
- Pail / 5 gallon : Item # 180005
- Drum / 55 gallon : Item # 180006
