

# Non-Acid Bowl Cleaner #5

B04380

*A super concentrated bowl cleaner and disinfectant. Kill germs and odor in one step. Effective against HIV-1, E. Coli, mold, mildew and more. The half gallon containers are designed to be used with the Blend Rite™ Dispensing System and color-coded quart bottle system. Economical and easy to use.*

## Where To Use

|                     |           |              |               |
|---------------------|-----------|--------------|---------------|
| Athletic facilities | Restrooms | Schools      | Nursing Homes |
| Health clubs        | Offices   | Restaurants  | Day Care      |
| Hospitals           | Colleges  | Institutions | Showers       |

## Dilution

The dilution has been pre-set and is automatically controlled through the Blend Rite™ system at 1:64.

## Directions:

For use with Blend Rite™ Dispensing System. Remove cap. Insert the concentrate bottle into either the wall mount or portable Blend Rite dispenser with the neck of the bottle facing the direction of the arrow on the dispenser shroud. Press the bottle into the shroud until it locks in place. Depress appropriate button to automatically dilute product into secondary container.

**To clean and disinfect toilet bowls** - Remove or expel over the inner trap residual bowl water prior to applying use solution. Apply solution around bowl and under rim. Then scrub thoroughly with brush. Let stand 10 minutes then flush.

**For urinals** - Apply solution, then scrub thoroughly with a brush. Let stand 10 minutes.

**For disinfecting** - Remove gross food particles and heavy soil deposits, then thoroughly wet surfaces. Apply diluted solution by mop, sponge, cloth or spray on hard nonporous surfaces for a minimum contact time of 10 minutes.

**Mildewstatic instructions** - Apply diluted solution by spraying, making sure to wet all surfaces completely. Let air dry. Repeat application weekly or when growth reappears.

**HIV-1 (Aids Virus)** – The areas to be disinfected must be pre-cleaned of all blood and body fluids. Please read label instructions for use in HIV-1 disinfection.
