

SPECIALIZED SURFACE ENHANCEMENT PRODUCTS

Car Lovers

THE BEST 1-2 PUNCH IN THE INDUSTRY

BOLT

(T3826) First step presoak for In-bay automatics. A blend of mild but effective organic acids, water soluble solvents and both cationic and non-ionic surfactants allow this unique presoak to prepare road film and heavy soiled surfaces for its mated second step presoak, CAR LOVERS BANG. Highly effective on chrome and glass as well.

BANG

(B0409) Amazing second step presoak that works synergistically with CAR LOVERS BOLT. A unique, high pH blend of alkaline builders, chelating agents, water softeners, solvents and wetting agents make this second pass presoak highly effective in hard and soft water.

KLEER COAT SEALER

(K1791) A highly concentrated and very economical cherry scented clear coat sealant to be used as a second step rinse for CAR LOVERS KLEER KOTE FOAM POLISHES or alone as a sealer/drying agent. CAR LOVERS KLEER KOTE SEALER quickly de-foams and disperses water for a dry and spot-free finish.

KLEER COAT POLISHES

(S3306-Blue, S3307-Pink, S3308-Yellow) These amazing foam polishes are highly visual and will fill your bays with a strong cherry-berry scent. They possess quick flash foam for visual appeal but rinse freely and bead up quickly when followed with CAR LOVERS KLEER KOTE SEALER. Available in bright pink, vivid blue and sunburst yellow.
