### VisionClear™ Windmaster Sign (28" x 44")

**For Protection From Rain, Snow and Sleet** - A silicone-containing product that forms a molecular film for your windshield and seals the microscopic pores thus repelling rain, snow and sleet. The VisionClear™ protected surface causes water droplets to bead up, allowing the windshield to blow the droplets away as you drive. The results: better vision and safer driving.

- **A silicone-containing product that forms a molecular film for your windshield and seals the microscopic pores**
- **Repels rain, snow and sleet**
- **Allows the windshield to blow droplets way as you drive.**

### PACKAGING:

- **5gal pail** (D1000005)
