

Disaster Restoration

BLAST-IT

Heavy Duty Butyl Degreaser

- Industrial strength, water soluble, non-flammable butyl solvent degreaser
- Removes a wide variety of soils including grease, oil, dirt, soot, smoke, food and light rust stains
- Effective in industrial, institutional and commercial facilities
- Safe to use on painted surfaces and soft metals
- 100% organic and bio-degradable

Item# 2671

Packaging: 4x1G, 5G, 55G

D-CIDE

Concentrated Odor Eliminator

- Utilizes the latest technology in odor elimination
- Neutralizes odors on contact by binding, bonding, encapsulating and absorbing a complete range of odors caused by animals, humans, mold and mildew, smoke, urine, feces, decaying organic matter, vomit, putrefaction, etc.

Item# 727

Packaging: 4x1G

MILBAN 1-2-3

Water Damage Restoration Sanitizer

- Formulated specifically for use in water damage restoration and for sanitizing carpet against odor-causing bacteria
- Virucidal, fungicidal and inhibits the growth of mold and mildew and their odors
- Suitable for treating carpet, carpet padding, sub-floors, drywall, trim and frame lumber, tackless strip and paneling

Item# 624

Packaging: 4x1G, 5G, 55G

MRCC 1000

Mold Resistant Clear Coat

- Contains an EPA registered fungicide to resist mold growth on the dry coating surface
- 100% acrylic water-based coating
- Recommended for use on wood, plaster, wallboard, sheetrock, concrete, masonry block, primed metal and galvanized metal

Item# 1069

Packaging: 5G

MRCC 2000

Mold Resistant Coating (White)

- Goes on white, dries white
- A tough, water-resistant coating for use in areas prone to the growth of mold
- Can be used over a variety of surfaces such as wood studs, OSB, plywood, painted surfaces, wall board, masonry and metal
- Embedded with EPA-registered antimicrobial agents to provide long-term protection

Item#2069

Packaging: 5G

OXY BLAST

Organic Contamination Oxidizer

- A peroxide-based-cleaner that reacts with organic matter and generates the release of oxygen
- Lifts organic stains and other contamination for ease of removal with HEPA vacuum equipment
- Contains surface active agents to enhance wetting and allow for deeper penetration into the substrate of wood and other porous materials
- 100% organic and bio-degradable

Item# 1346

Packaging: 5G

PRO-SMOKE

Malodor Encapsulant

- Works by micro encapsulation and is not an odor mask or covering agent
- "Coats" or "encapsulates" foul-smelling matter, seals the contamination and keeps the odor molecules from entering the airspace
- Effectively neutralizes odors in carpets, fabrics, car, boats, bathrooms, kitchens, garbage bins, dumpsters, etc.
- Can be used in a fogger
- Safe on stain resistant carpet

Item# 722

Packaging: 12x1Q, 4x1G, 5G, 55G
