SIMONIZ[®]

My Hands Are Clean!

Increasing Hand
Sanitizing through CDC™ -
"Conscientious Daily Compliance".

Simple Immediate Feedback — Reminds staff and visitors to sanitize in, sanitize out.

SaniCheck[®] reminds staff and visitors if they fail to sanitize their hands...when either entering or exiting a patient's room. Typically located in the hallway and connected to our hand sanitizer dispenser, Sanicheck[®] flashes a green light when hand sanitizer has been dispensed or presents a red flashing light and a soft audible warning when staff or a visitor enters or exits the patient's room without sanitizing their hands. These visible and soft audible warnings either reinforce a proper hygiene protocol or reminds staff or a visitor to return to the hand sanitizer dispenser to sanitize their hands. Compliance information can be remotely accessed as required.
