

Chewing Gum Remover

S3342

Easily removes chewing gum, candle wax, putty and other gummy substances from surfaces. Makes the messy job quick and neat by freezing substance to approximately -40°F so it will crack off fast. Removal is easy and no staining or chemical residue is left behind. This product contains no chemicals that will reduce the ozone in the upper atmosphere.

Where To Use

Use with or without the extender tube on:

Chairs Carpet Furniture Draperies
Floors Clothes Upholstery

Directions

Spray on and chip off. Care should be exercised when using this product as frostbite may occur if sprayed on skin.
