

Tropic Breeze (dry air & fabric deodorizer) S3348

A truly extraordinary concept in aerosol technology. This air freshener is specially formulated to eliminate offensive odors in the air without wet fallout. As a dry product, it can be used safely on surfaces to fight odors trapped in all kinds of fabrics without staining. The spray mist particles penetrate fabrics, reach trapped odors and eliminate them. Will not leave a residue or stain the fabric. Neutralize stale tobacco odors in the air or fabrics and leave behind a tropic breeze.
