

Neutral Cleaner #2

B04390

A super concentrated neutral pH floor and all-purpose cleaner. Safe for all types of floors and everyday cleaning. The half gallon containers are designed to be used with the Blend Rite™ Dispensing System . Economical and easy to use.

Where To Use

Painted walls, counters, most chemically resistant hard surface:

- | | | |
|----------------|--------------|----------|
| Vinyl Tile | Asphalt Tile | Linoleum |
| Vinyl Asbestos | Sealed Wood | Rubber |

Dilution

The dilution has been preset and is automatically controlled through the Blend Rite™ system at 1:128.

Direction

For use with Blend Rite™ Dispensing System. Remove cap. Insert the concentrate bottle into either the wall mount or portable Blend Rite dispenser with the neck of the bottle facing the direction of the arrow on the dispenser shroud. Press the bottle into the shroud until it locks in place. Depress appropriate button to automatically dilute product into secondary container or mop bucket. Simply mop on or spray on and wipe clean.
