

Non-Acid Bowl Cleaner #5

B04380

A super concentrated Non Acid Bowl Cleaner that is effective against removing microorganisms that can cause odors and illness. Effective against mold, mildew and more. The half gallon containers are designed to be used with the Blend Rite™ Dispensing System and color coded quart bottle system. Economical and easy to use.

Where To Use

Athletic facilities	Restrooms	Schools	Nursing Homes
Health clubs	Offices	Restaurants	Day Care
Hospitals	Colleges	Institutions	Showers

Dilution

The dilution has been pre-set and is automatically controlled through the Blend Rite™ system at 1:64.

Directions

For use with Blend Rite™ Dispensing System. Remove cap. Insert the concentrate bottle into either the wall mount or portable Blend Rite dispenser with the neck of the bottle facing the direction of the arrow on the dispenser shroud. Press the bottle into the shroud until it locks in place. Depress appropriate button to automatically dilute product into secondary container.

To clean and deodorize toilet bowls - Remove or expel over the inner trap residual bowl water prior to applying use solution. Apply solution around bowl and under rim. Then scrub thoroughly with brush. Let stand 10 minutes then flush.

For urinals -Apply solution, then scrub thoroughly with a brush. Let stand 10 minutes.

Mildew static instructions -Apply diluted solution by spraying, making sure to wet all surfaces completely. Let air dry. Repeat application weekly or when growth reappears.
