

Formulated especially for Electric Glass Washer. Lubricates parts as it cleans so continued use will actually help to eliminate machine break down. Extremely concentrated! Glasses rinse freely and dry spot free.

Where To Use

Use in a closed system dispenser.

Dilution

Use 1 ounce per 4 gallons of water in sink holding electric glass washer. Rinse in clear water in second sink. Sanitize in third sink, using either Swell® Sanitizing Tablets or Dical™.

Directions

Use 1 ounce per 4 gallons of water in sink holding electric glass washer. Rinse in clear water in second sink. Sanitize in third sink, using either Swell® Sanitizing Tablets or Dical™.
