

Foaming Alcohol Hand Sanitizer

A00521000

An alcohol based foaming hand sanitizer. Sanitizes with alcohol while moisturizes with aloe vera. Rapid kill rate of 99.999% within 15 seconds against most common bacteria.

No rinsing required. Colorless with a mild pleasant scent.

Where To Use

Schools	Office Buildings
Nursing Homes	Health Clubs
Restrooms	Hotels
Restaurants	Hospitals

Dilution

Ready-To-Use

Directions

Remove clear plastic cover from the end of the pump by pulling firmly. With the pump opening facing down and levers facing out, align white plastic disk around the pump with the groove in the dispenser and slide in. Gently push the bag into the compartment so it won't get pinched when closing the cover. To remove the empty bag, squeeze the two levers on the white plastic disk around the pump toward each other and slide the empty bag out.

Technical Specifications

COLOR:	Colorless	VISCOSITY:	Water Thin
FORM:	Liquid	STORAGE(Unopened):...	1 Year @R.T.
SCENT:	Pleasant	BIODEGRADABLE:	Yes
