

LX-Plus

All Purpose Extraction Liquid

Carpet Care

Description

This modern, controlled suds, formula is designed to act quickly to break down stubborn dirt, grease and oil. It also provides a thorough cleaning combination while leaving a pleasant scent. This liquid, organic, carpet detergent is designed to be equally effective in hot or cold water. This biodegradable liquid contains fast acting cleaning agents, and organic solvents, which are effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

Directions for Use

For general cleaning use approximately 1-2 ounces per gallon of hot water. Truck mounted systems should use 1 quarts per 5 gallon holding tank and set meter to yield the best results. Always follow carpet manufacturers' general cleaning instructions to retain carpet quality and any warranty that may be in effect. This product uses modified detergents rather than strong alkaline booster compounds to increase the cleaning power.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Controlled suds
- Quick emulsification of dirt, grease, and oils
- Prevents redeposition of soil
- Rinses freely
- 100% biodegradable
- May be used on 5th generation carpet
- Will not harm equipment

Specifications

Appearance:	Green/Yellow Liquid
Odor:	Citrus
PH	10 – 10.5
Specific Gravity:	1.01
Detergency:	Excellent
Biodegradable:	Yes

Dilution

General Cleaning.....	1:64 (2 ounces / gallon)
Truck Mount.....	1:20 (32 ounces / 5 gallons)

Available Sizes

- Case/ 4x1 gallon: Item # 10104
- Pail / 5 gallon : Item # 10105
- Drum / 55 gallon : Item # 10106
