

Master Blend #1 Glass Cleaner

M2240045

A super concentrated glass and all-purpose cleaner. The half gallon containers are designed to be used with the Master Blend Dispensing System and color coded quart bottle system. Master Blend features SafeLink Adaptive Closed-Loop™ Technology. It prevents leaks and is safer for employees and the environment. Economical and easy to use.

|--------------|--------------|---------------|--------------|
| Health clubs | Offices | Restaurants | Homes |
| Hospitals | Colleges | Institutions | Boats |
| Plexiglass | Restrooms | Schools | Supermarkets |
| Car Washes | Detail Shops | Nursing Homes | |

Dilution

1-2 oz. per gallon depending on soil load.

Directions

Master Blend Glass #1 is designed to be diluted at 1-2 oz. per gallon through the Simoniz Master Blend Dilution Systems. The Master Blend systems are preset for a 2 oz. per gallon dilution for filling quarts and 1 oz. per gallon (wall mount unit) for the bucket fill. If a different dilution is desired, please see the instructions with the dispenser to determine the correct metering tip. (Portable Master Blend units are preset at 2 oz. per gallon). Simply attach the half gallon to the dispenser via the cap at the end of the draw tube (wall mount) or attach the portable unit directly on to the half gallon and fill either quarts or mop buckets. If using this product with another dispenser, use the appropriate tip for the desired dilution. (Please note, in order to use Master Blend products with other dispensers, part number C38CS4W must be attached on the pickup tube.)
