

Highly Concentrated Pot & Pan cleaner for automatic pan washers. Works Effectively Under All Soil Conditions and in Soft to Medium Hard Water. Formulated with Special Water Softeners and Rust Inhibitors.

Where To Use

Kitchens Bakeries Grocery Stores Hotels
Restaurants

Dilution

1 oz to 4-5 gallons of water

Directions

Set the dispensing system to dilute Pan Man based on the chart above. Scrap any left over food particles from the pan with a plastic scraper or stiff brush. Particularly badly stained pans may need to be presoaked. Place pans in pan washer close door and turn machine on.
