

A heavy duty, RTU, water-based concentrated formulation for hard-to-clean spots on upholstery and carpeting, prior to shampooing or extracting. Pre Spot attacks hard to clean stains and breaks and lifts them from the fabric so they can be easily shampooed away. Great as a stubborn traffic lane cleaner.

Where To Use

Carpets and upholstery in:

Hotels Offices Airports
Schools Hospitals Restaurants

Dilution

As is.

Directions

Pretest for colorfastness. Spray Pre Spot on an inconspicuous area. Wipe with cloth. If no bleeding of color occurs, proceed with application.

Spot Cleaning – Spray Pre Spot on stain. Agitate with brush or clean cloth. Blot with clean dry cloth. Be sure not to saturate as browning may occur. Repeat as necessary. Allow to dry, then vacuum.

Pretreatment Prior To Extraction Or Shampooing – Pretest as stated above. Remove furniture and vacuum carpet completely. Apply Pre Spot to carpet with a pump sprayer or similar device, treating major traffic areas. Allow product to dwell up to 10 minutes and continue with the extraction or shampooing.
