

A highly dilutable one-step cleaner maintainer formulated for maintenance of resilient tile floors using high speed equipment. Eliminates the need to clean with a neutral cleaner prior to buffing. Removes black heel marks, scuff marks, small scratches and returns finish to its original gloss. Very economical for large areas.

Where To Use

All resilient tile floors.

Dilution

Light cleaning and shining – 1/40 (approx. 3 oz./gallon)

Heavy heel marks and dirt – 1/20 (approx. 6 oz./gallon)

Directions

Dust mop floor and remove gum and other foreign materials. Dilute product based upon the condition of the floor (see above). Apply with autoscrubber or mop. Scrub floor immediately, let dry to a haze. Buff or burnish entire floor to a high shine.
