### Directions

For cleaning walls, floors, bathroom fixtures, garbage cans, and other hard (inanimate), nonporous surfaces, apply by mop, sponge or mechanical spray device so as to thoroughly wet surfaces. Agitate with sponge or cloth and wipe clean.

To clean toilet bowls - Remove or expel over the inner trap residual bowl water prior to applying solution. Use 4 oz. of concentrate in toilet bowl. Squeeze around bowl and under rim. This product, when used as directed, will not harm white or colored bowls or inanimate, hard surfaces. Close cap on container after use. See label for further instructions.
