

**Carpet Care**

# Anti-Static Liquid

Static Eliminating Solution

## Description

This product is a concentrated liquid that eliminates the shock of static electricity on carpet or fabrics. May be diluted as much as 1 part product to 3 parts hot water. This product contains soil resisters and optical brighteners to help repel soil and stains. This product is quick drying and leaves the carpet soft and static free.

## Directions for Use

Shake well before using. Mix 1 part product with 3 parts warm water. Pour into pump type sprayer or electric atomizer and apply as a fine mist. One gallon covers approximately 400-800 square feet.

This product is a cationic based static reducing agent, which coats the carpet fibers to prevent static buildup, and reduces the chance of shocks while touching metal or other people. Very helpful in computer rooms, video arcades, jewelry stores, offices, restaurants, etc.

## Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

## Features & Benefits

- Economical
- Highly concentrated — can dilute 1 to 3
- Pleasant odor
- Removes static electricity instantly
- Biodegradable
- 1 gallon covers approx. 400-800 square feet

## Specifications

Appearance:	Clear Blue Liquid
Odor:	Pleasant
Specific gravity:	.89
PH:	Neutral
Biodegradable:	Yes
Detergency:	None

## Dilution

General.....1:3 (42 ounces / Gallon)

## Available Sizes

- Case/ 4x1 gallon : Item # 20404
- Pail / 5 gallon : Item # 20405
- Drum / 55 gallon : Item # 20406
