

Foaming Hair & Body Wash

Foaming Body Shampoo

Body Soaps

Description

Foaming Hair & Body Wash is a refreshing, pH balanced shampoo in an economical foam. Formulated with conditioners and Vitamin E, Foaming Hair & Body Wash stays on your hair and body longer. This product contains water softeners so no harsh residues are left behind to irritate the skin. Skin softening agents are also used to replace natural oils removed by other harsh detergents and soaps.

Directions for Use

Must be used in a foaming dispenser, will not generate foam in regular soap dispenser and will drain out the bottom due to the low viscosity.

Apply sufficient amount of product to a washcloth or hands to work up a rich lather. Apply over entire body. Rinse with clean water and dry thoroughly.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Removes tough body oils
- Does not irritate skin
- Pleasant light fragrance
- Economical, stays on your hair and body, not down the drain
- Ideal for locker rooms and fitness clubs
