

GLOW GPP-290

Green Certified Hand Dish Detergent

Green Care

Description

Glow GPP-290 is a green certified pot and pan detergent that provides excellent foam stability and cleaning performance. Highly concentrated at 1oz per gallon this product will effectively remove the most stubborn baked on foods and emulsifies grease on the spot. This product is also very gentle on the hands.

Directions for Use

FOR DISHES, GLASSWARE & FLATWARE

Use 1 ounce of Glow per gallon of water. Clean, Rinse, and Air dry.

FOR POTS AND PANS

Heavily Soiled Pots and Pans: add 2 ounces Glow per gallon of warm to hot water - allow to soak for a few minutes to loosen soil. Scrub, Rinse, and Air dry.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
