

New Tile

Acidic Tub & Tile Cleaner

Bathroom

Description

This blend of acids and sequestering agents gently dissolves hard water deposit and minerals to clean down to the shine on tile and fixtures. It is safe to use on all normal bathroom fixtures. New Tile is ready to use and no dilution or mixing is required. Simply spray or mop on and wipe or rinse off. Cleans Ceramic Tile, Grout, Tub Surrounds, porcelain, chrome, glass doors, plumbing fixtures and more.

Directions for Use

Do not dilute with water, use as is, spray evenly over entire surface. For best results and to deep clean, allow 2 to 5 minutes before wiping with a damp sponge. Duration of the wait depends on the condition of the surface, and degree of mold, mildew and soiling. Not recommended for marble, wood or lacquered surfaces.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
