

SP-411

RTU Shower and Bath Cleaner

Bathroom

Description

SP-411 is a multi-purpose bathroom cleaner that was formulated to remove and clean soap scum, scale, rust, and body oil from shower stalls, bath tubs, ceramic tile, grout, porcelain, chrome, glass doors, plumbing fixtures and more. Not recommended for marble floors.

Directions for Use

Do not dilute with water, use as is, spray evenly over entire surface. For best results and to deep clean, allow 2 to 5 minutes contact time before scrubbing with brush and then rinsing with water. SP- 411 will cling to vertical surfaces for 2-5 minutes of contact time. For maintaining cleanliness of surfaces this product can diluted with 2 parts of water before application.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
