

Superior GMD-270

Green Certified Mechanical Dish Detergent

Green Care

Description

Superior GMD-270 is a green certified detergent developed for all institutional, industrial, and restaurant dishwashing machines. This product exhibits state of the art performance in water conditioning, soil suspension, saponification, scale inhibiting, and rinsability. Quickly activated in water to emulsify food soils. Designed to give a sparkling finish to china, silverware and glassware.

Directions for Use

For Use in Power Bowl (Auto Feed): Remove the shipping lid, leaving the screen cap on and make sure it is tight. Check to make sure there is no debris or objects in the Power Bowl Receiver. Invert Jar into Power Bowl. Please consult authorized technician to set up dispense system to achieve optimal results.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
