

## SPRAY BUFF

### DESCRIPTION

This formulation has been designed to work in conjunction with high or low speed buffing procedures. Use of this product will prolong the life of floor finishes, thus cutting down on time spent on applying floor finishes. This product is non-yellowing, and creates a scuff resistant gloss finish. It has been designed to speed maintenance of hard floors and allow quick and easy results.

### INSTRUCTIONS

Apply this ready to use product in a fine stream or mist to the worn surface ahead of the buffer; or alternatively mop on and buff when dry or almost dry. Be sure that enough product is used to clean and repair the surface polish and to lubricate the pad.

### FEATURES

- Easy to use
- Ready to use
- Pleasantly scented
- Non-corrosive, nontoxic
- Non-staining
- Helps maintain durability of finishes
- Biodegradable
